IAC-M-343
27 May 1958

1. Approval of Minutes
20 May Meeting
(IAC-M-342)

Approved as written, subject to the amendment of item 7 a
to read: "Approved as submitted."

2. Situation Review

a. Watch Committee Report
No. 407

Noted.

25X1

The Chairman and Mr. Cumming discussed the Indonesian situation. Mr. Dulles also raised a question about developments in Burma and Admiral Frost commented on certain aspects of that situation.

The members reviewed recent intelligence and information bearing on the political situation Reference was also made to developments in Tunis.

25X1

With respect to the Middle East the members exchanged views on the situation in Lebanon, and on the Jordanian-Israeli situation in the light of the shooting of a UN official on Mount Scopus.

3. IAC Membership

After noting that this would be General Collins' last meeting as a member of the IAC, the Chairman stated that General Collins

had participated in the activities of the IAC with skill and effectiveness and thanked him for the excellent contribution he had made to the work of the intelligence community. General Collins expressed his appreciation, referred to the valuable experience which he had gained as a member of the IAC, and stated that General Breitweiser would be his successor. The Chairman and members then welcomed General Breitweiser as a new member of the IAC.

4. Inspection Problems Involved in
Possible US-USSR Agreement
Banning Production and Deployment
of Long-Range Ballistic Missiles
(IAC-D-119, 26 May 1958)

The Chairman referred to a letter from the Department of State on this subject, which had been distributed prior to the meeting (IAC-D-119, 26 May) and stated that he had [redacted] head the group which would work on this problem. The members then discussed [redacted] questions such as the composition of the group, the nature of the problem and the general approach which would be used. After exchanging views, the members agreed that the group should proceed, in the light of this discussion, to develop a report which would meet the requirement of the State Department, with the understanding that the IAC would be kept appropriately advised regarding the group's activities.

5. Initiation of SNIE on Implications
of Certain US Satellite Programs

After discussion the members agreed to initiate an SNIE dealing with implications of a US reconnaissance satellite program pursuant to a request by the Department of State in the light of a Planning Board requirement. It was understood that the target date for IAC consideration of this estimate would be determined after a further consultation by the Department of State with General Cutler.*

* See Secretary's Note.
